Print Bleed Guide

Remove the template layer before uploading your artwork.

● **Bleed Line**

Extend background color or artwork to this line to avoid any white edges from the trimming process.

● **Cut Line**

This is where we aim to trim the product. The actual line can vary due to the trimming process.

● **Safe Line**

Keep text and important imagery within this line to ensure it does not get cut off during trimming.

Final Cut Size: 11 x 17
Artwork with Bleed: 11.25 x 17.25
